

Food Safety Policy

Worldwide Commodities (Pvt) Ltd is committed to produce safe, premium quality products under strict hygienic conditions. We use the best technology available and a team of professional experts to meet and exceed our customer's expectations and satisfaction.

In our aim to achieve these objectives, we will,

- Control and eliminate physical, chemical, and biological hazards.
- Determine the internal and external communications relevant to the food safety management system.
- Give appropriate training, education, and development to the employees and other relevant personnel.
- Periodically audit, standardize and continually improve our quality management system, process and services.
- Comply with Food Safety Management System (FSMS) requirements, we strive to meet all applicable local, global, and mutually agreed customer requirements, as well as statutory and regulatory requirements.
- Identifying measurable goals in order to achieve company objectives.
- Motivated and competent human resources.
- Consistently delight our customers through the delivery of high-quality products and services."

The company's management will provide the resources and support necessary to enable our employees to fulfill this policy.
